RECRUITMENT OF ENGINEERING EXECUTIVE TRAINEES-2027 THROUGH GATE-2027

NTPC SAIL Power Company Limited (NSPCL) is a premier joint venture company of two Maharatna companies, NTPC Limited and Steel Authority of India Limited (SAIL). NSPCL operates power generating units at Bhilai, Durgapur and Rourkela, with a total installed capacity of 1119 MW, and plays an important role in meeting the power requirements of SAIL units and other beneficiaries.

In line with its operational requirements and future growth plans, NSPCL invites applications from promising, energetic, and dedicated young Graduate Engineers with a strong academic record for recruitment as **Engineering Executive Trainees (EET)-2027** through **GATE-2027** in the following engineering disciplines: **Mechanical (ME), Electrical (EE), Electronics (EC), Instrumentation (IN)**

All interested and eligible candidates should appear in **the Graduate Aptitude Test in Engineering (GATE)-2027** examination in one of the above engineering disciplines. Candidates will be shortlisted for further selection process based on the GATE-2027 performance and the organizational requirement. GATE marks of previous years or any other examination shall not be accepted for EET-2027 recruitment. Detailed information regarding GATE-2027 is available on the website: **https://gate2027.iitm.ac.in/**

NSPCL will publish another detailed advertisement to invite applications from candidates who have appeared in GATE-2027 examination. The exact date and period of online application will be intimated on the careers section at **www.nspcl.co.in** in due course. Candidates are required to visit the website regularly to get updates.

*** The requirements notified herein are subject to change at any time based on organizational requirements. The company reserves the right to alter, modify, increase, decrease, or cancel the notified disciplines/positions, in whole or in part, without prior notice and without assigning any reason thereof. Any further addendum/corrigendum/updates will only be published on our careers' website.
